2020 – 2021 Project Extend Program Registration Agreement and Guidelines

Project Extend was established in 1985 with the cooperation of the Board of Education and the Department of Human Services of the Township of Ocean. The purpose of Project Extend is to provide enriching and affordable child care services for school age children, grades K-8, who are residents of the Township of Ocean at the Township of Ocean public schools that they attend. The program employs qualified staff who supervise a variety of activities to promote social interaction and safe fun for children.

Program /Parent Collaboration: The relationship between parents/guardians and the child-care program is one of mutual trust and respect. We take very seriously our responsibility to you and your child for the provision of a safe and enriching environment. Our staff is well trained, well supervised, and works diligently toward these goals. We expect you, the parent, to share fully in this trust relationship by open communication with the program and by upholding your responsibility of full cooperation with the program guidelines and rules as well as financial agreements. **We expect that parents/guardians will not bring a child to the program who has an elevated temperature, any signs of communicable disease or if a household member is showing signs or has been diagnosed with a communicable disease.**

Where & When:

- Before School Project Extend is available for Kindergarten through fourth grade students as of 7:00 a.m. through the start of the school day on days Twp. of Ocean Schools are in session.
- After School Project Extend is available to Kindergarten through eighth grade students from the end of the school day until 6:00 p.m. on days Twp. of Ocean Schools are in session.
- Project Extend reserves the right to cancel the program at any site where enrollment does not permit continuation.

Half Day Care:

- Project Extend care is available on days that all grade levels in a school are scheduled to meet only a half-day. If your child normally attends Project Extend on a day that half-day care is available no additional registration or fees will be necessary. If your child does not normally attend but does need half-day care, additional registration and fees will be required. Half Day Care fees are \$25.00/day/child.
- Project Extend will not be available for half-day care on days when only one or two grade levels have half days. On those days, Project Extend will meet at the regular time.

Holiday Care: Project Extend will offer holiday care on most school holidays:

- Holiday Care meets from 7:30 a.m. – 5:30 p.m.
- Parents are responsible for sending lunch and snacks to Holiday Care.
- Holiday Care attendance requires additional registration and fees.
- Holiday Care information is available in the monthly newsletter and on the Township of Ocean website.

Newsletter: Project Extend distributes newsletters to all registered families. Each newsletter will have information about upcoming Holiday or half day care that will be offered. The newsletter will also contain other timely Project Extend information. The newsletter is available online at www.oceantwp.org.

Parent Statement: This packet includes a Parent Statement from the State of New Jersey Office of Licensing. Please review this statement.

Drop-off and Pick-up at Project Extend:

- **Morning drop off:** Children attending morning Project Extend may be dropped off as of 7:00 a.m. The person dropping the child off must bring the child into the facility and sign the child in at the program. Failure to sign children in may result in termination from the program.
- **Afternoon pick up:** Children attending afternoon Project Extend must be picked-up by 6:00 p.m. Children will only be released to persons authorized on the registration form. Pick up persons may be added or deleted by filling out a registration update form at the Project Extend site or office. Persons picking-up children must sign children out and must present photo identification to the staff. Late pickups may result in termination from the program.

Absences/Outside Activities:

- **Morning:** If your child will not be attending Morning Project Extend on a day for which he/she is enrolled you do not have to notify the office.
- **Afternoon:** If your child is absent from school on a day they normally attends Project Extend, the Project Extend staff at the school will be notified by the school (via the daily absentee list) that he/she will not be at Project Extend. If your child is in school for any part or for all of the school day, but will not be attending Project Extend, the parent must contact the Project Extend office, 732-531-2600, or by email to pe@oceantwp.org to notify us. We will notify the Project Extend staff at the school so they will know to mark the attendance correctly. It is the parents' responsibility to notify the school office and school teacher as to how your child shall be dismissed at the end of the school day. Project Extend does not and will not instruct the school in their dismissal of children.
- **Outside Activities:** If children will be participating in non-Project Extend activity on a Project Extend day (within the school building) a note must be sent to Project Extend Staff at the school specifying the activity, and responsible party. Examples of outside activities may include sports, Pep Squad, Brownies, Homework Club, Band, extra help with the teacher, etc.

Activity Information: Children in grades 1-8 are afforded time at afternoon Project Extend to do homework, study or engage in other quiet activities. Children who do not have homework will be required to engage in other quiet activities so as not to disturb children doing homework. The staff is available to help students who request homework help. Homework is ultimately the responsibility of the child and parent. While at the program children may participate in games, crafts, playground activities, watch movies, and have quiet time. Children should have clothes that are appropriate for indoor or outdoor play. Project Extend provides toys and equipment for use by children while at Project Extend.

Snacks: Parents are responsible to send a snack for your child to have while at Project Extend. On occasion, Project Extend may provide a snack as part of a program.

Personal Items: Children may bring personal items to the program in accordance with school rules; however the program is not responsible for lost or broken items. If a child has a cell phone at Project Extend, it should be off and put away. In the event a child would like to call their parent on their cell phone, they will need permission from the Project Extend staff. The staff may monitor the conversation to be sure the child is calling their parent.

Inclement Weather: Project Extend may be cancelled due to inclement weather.

- If Ocean Township schools are closed, Project Extend is closed. If Ocean Township schools have a delayed opening, morning Project Extend is cancelled. If schools close early, afternoon Project Extend is cancelled. Parents must arrange for their child to leave school at the early dismissal time.

Code of Conduct:

As Project Extend is administered by the Township of Ocean's Department of Human Services Recreation Office, it supports the Recreation Office's Program Philosophy and Code of Conduct. The Code of Conduct is available at www.oceantwp.org.

Use of Technology and Social Media Policy:

The Project Extend program uses Facebook, Twitter and the Township of Ocean web site to communicate general information about activities, community information, weather closings, and other program particulars. General center information and updates may be posted with director approval. Posting of private, sensitive Township of Ocean, staff, prior staff, and enrolled or previously enrolled children and family information is prohibited. Staff to parent communication regarding injuries or sensitive information will be done verbally by telephone or in person.

Staff should maintain a professional appearance in their social media. Vulgar or abusive language, disparaging remarks and/or references of a disparaging manner, personal attacks or offensive terms targeting individuals or groups are prohibited. The use of social media or electronic devices while supervising children is prohibited, unless used in conjunction with program activities.

Project Extend staff can use center phone or personal cell phone to contact parents regarding incidents, accidents or other time sensitive questions, from the program with permission from the site supervisor.

If a child comes to Project Extend sick, or once there they become sick, the child will be removed from the area of the other children to a secluded area. The parents will be notified immediately and told that they must come and pick up the child. If the parents are unreachable, we will phone the emergency contacts and then the pick-up people until you find a person who is able to come and get the child.

Once the child is symptom free and, in the case of diseases, a licensed physician indicates that the child or staff person poses no serious health risk to himself/herself or other children, he/she may be re-admitted to Project Extend.

Disruptive/Inappropriate Behavior and Termination of Agreement to Provide Care:

In the interest of safety and enjoyment for all, disruptive and inappropriate behaviors will not be tolerated. Examples of disruptive behaviors include, but are not limited to the following: hitting, fighting, stealing, failure to comply with staff directions, unsuitable language, leaving the program, possession of a weapon and possession of or use of alcohol or drugs. If a child requires discipline for a behavior, he will be verbally warned that the behavior cannot continue. A parent or other contact person will be called to remove a child from the program if necessary.

- On-site discipline may include time out and/or reduction of privileges.
- Staff will try to re-direct children from negative behavior.
- Staff will use positive language when disciplining a child.
- Parents will be notified of disruptive behavior by a parent conference and/or by written incident forms.
- Project Extend will maintain on file a record of the circumstances regarding disruptive behavior, parental notification and corrective action taken.
- The previous information outlines basic parameters and consequences for disruptive or inappropriate behavior. Consequences may be altered at the discretion of the Program Coordinator.
- Project Extend meets in the Township of Ocean School Buildings and our participants are subject to school rules as outlined in the Township of Ocean School District Handbook.

Unfortunately, there are sometimes when the relationship between the child-care provider (Project Extend) and the parent and child may not be beneficial. In those times, it will be the responsibility of Project Extend to terminate our agreement to provide care. The following are reasons we may expel a child from the program.

- **Parental/Guardian Actions**
 - Failure to pay/habitual lateness in payments.
 - Failure to complete required forms.
 - Habitual tardiness in picking up your child.
 - Physical or verbal abuse to staff.
 - Demonstration of lack of partnership with the program.

- **Child's Actions**
 - Failure to positively adjust/alter inappropriate behavior after a reasonable amount of time.
 - Uncontrollable tantrums/angry outbursts.
 - Physical or verbal abuse of other children or staff.
 - Failure to comply with staff directions.

- If remedial actions have not worked, the child's parents/guardians will be notified about the behavior warranting expulsion. If it is in the best interest of the child and the program, the parent will be given a specific expulsion date and length of expulsion period. That date will allow for an adequate amount of time to seek alternate child care. In matters of safety or welfare concerns as determined solely by the program, the child will be expelled immediately. The parent/guardian will be informed about the expected behavioral changes required in order for the child or parent to return to the program. Failure of the parent/guardian to satisfy the terms of the plan may result in permanent expulsion from the program. If a child is suspended or expelled from the program, fees are not refunded.

Project Extend will not expel a child based solely on the child's parent making a complaint to the Bureau of Licensing regarding a center's alleged violations of the licensing regulations, or questioning a center directly regarding policies and procedures.

The Human Services Department of the Township of Ocean offers counseling services at no charge to Township residents. Children exhibiting disruptive or unusual behavior may be referred to the Community Services Office. Residents or families can contact the counselors at the Human Services Department, 732-531-2600.
