SECTION II (For a complete explanation please refer to the ordinance 2099)

SKETCH: A sketch/survey showing the approximate location and size of all trees 9" or larger in diameter at breast height or greater that exist on the lot and identifying those trees to be removed.

For all lots that are 1/2 acre in area or less, all such trees shall be shown on the sketch.

For lots that exceed 1/2 acre in area, the sketch shall show all trees to be removed as well as all individual trees within 30' of any trees to be removed. Trees that are not within 30' of any tree to be removed shall be inventoried and shown on the plan as groupings of trees, with the number and size of trees indicated on the plan, but need not be individually shown on the plan.

If a tree is removed under the requirements of Section 9-2.4.3., a mitigation plan must be submitted which will provide for the replacement of all removed trees by planting a tree of 3" to 3 1/2" caliper or a contribution to the Township Shade Tree Fund in the amount of \$350.00 for each tree removed

**TREES TO BE REMOVED MUST BE CLEARLY MARKED IN THE FIELD
