PET WASTE POLLUTES OUR WATERS

When left on the ground, pet waste is washed by rain and melting snow and ice into storm drains that carry it to our rivers, lakes, ocean, and drinking water.

Ordinance 10-17 mandates that ‘All pet owners and keepers are required to immediately and properly dispose of their pet’s solid waste deposited on any property, public or private, not owned by or possessed by that person.’

Ordinance 10-17.2 allows that any owner or keeper who requires the use of a disability animal shall be exempt while the animal is being used for that purpose.

No dogs are permitted to run at large. Owners may be subject to a fine.

Please print the following Dog License Application
And return it to the Township of Ocean
With your proof of rabies inoculation.
